### Edwards on racing at Darlington Raceway:

"The last time we came to Darlington we started out with a bang after winning the pole. I drove the car into the wall after racing too hard with Clint Bowyer. I was having too much fun for that early in the race. Darlington is one of my favorite racetracks and I would love to win a race there."

### Crew Chief Dan Stillman on racing at Darlington Raceway:

"We are excited about taking the Scotts Miracle-Gro Ford Fusion to Darlington Raceway. We have had some close calls at Darlington. Carl qualified on the pole here last year, but we got into the wall on the first lap of the race. Darlington is a fast track that is going to be extremely tough to tame. We have been very consistent all year, but we need to put a complete race together if we are going to contend for a win this weekend."
