### Edwards on racing at Daytona International Speedway:

"We have had great cars the past couple weeks in the Nationwide Series. We had a great run in our season opener in Daytona. We finished second, which was great. We need to run well there in our Save-A-Lot Fusion and dig into the points lead."

### Crew Chief Dan Stillman on racing at Daytona International Speedway:

"We have run very well as of late. There are still a few communication issues, but I think our Save-A-Lot team has bonded nicely since the beginning of the season. We are taking it one race at a time and trying to cut into the points lead. We finished second at Daytona early in the season and I know we have gotten better as a team since then. Daytona is always exciting and we are looking forward to a good run this weekend."
