**Kenseth on racing at Homestead-Miami Speedway:** “Homestead has been a really good track for Roush Fenway Racing for the past four or five years. I think all of the current Roush drivers either have a win there or have come pretty close. This gets said a lot, but I’d be surprised if Carl, Erik and I aren’t fighting for the win Saturday night. There isn’t a better track on the circuit to end the season at and these guys want nothing more than to go out on top. This 16 team has really impressed me all year – these have been the best Nationwide cars and definitely the best Nationwide pit stops I’ve had in a long time. I can’t thank them enough for all the hard work.”

**Crew Chief Eddie Pardue on racing at Homestead-Miami Speedway:** “It’s hard to believe we’re going back to Homestead already. The season is so long – during the summer it seems like it’ll never end – but once November comes it seems like it’s all flown by. I feel really good about this weekend. Homestead has been Roush Fenway’s track for a few years now, for the Nationwide cars and the Cup cars. Hopefully we keep the Homestead winning streak alive. There have been a lot of ups and downs this year. The off season will be a lot more enjoyable if we can close out the year with a good finish and ideally another win for Matt and CitiFinancial.”
