Quotes from the Gregs on Atlanta

Biffle on Atlanta: "Atlanta is a great track to race at because it's so big and fast. We're taking a car there that we've had some success with so if our hard work pays off, it should be a good weekend for us. We had a decent run there in the spring and finished eighth. I think we can do better than that this time and hopefully lock in a Chase spot before we even get to Richmond. That is our goal this weekend. Well, that and putting the 3M Scotch Blue Ford into victory lane."

Erwin on Atlanta: "We're taking the same car to Atlanta this weekend that we won with at Pocono and finished third with at Indy. It was a brand new car at Indy and we had a shot at the win there too. We're all looking forward to Atlanta this weekend and a chance to go ahead and clench our spot in the Chase. Atlanta is fast and if you can get your car to run well on the bottom and the top, you'll do well there. As a team we seem to run well that this sort of racetrack. We had a top-10 run there earlier this year but we've come a long way since then so I think expectations are pretty high going there this weekend."

LAST TIME AT ATLANTA:

Greg Biffle claimed his fourth top-10 finish a row earlier this season at Atlanta Motor Speedway in the Census 2010/3M Ford Fusion. The Pit Bulls pulled their weight as usual by picking up a total of 16 positions on pit road over the course of the race. More impressively, they did it all with the backup car starting from the rear of the field. When Biffle got loose in Happy Hour on Saturday and flattened the right side of the No. 16 Ford, the team had the backup car ready to go in time for him to get six minutes of practice in it. The team setup the car based on Biffle's feedback about those six minutes on the track. Biffle was in the top ten by lap 75 and remained there for the majority of the event. He avoided a multi-car incident late in the race and went on to finish eighth. The top-ten finish moved him up to third in the standings.
