Braun on racing at Homestead:

“Phoenix was a tough race for us, so we have put that behind us and we are focused on the last race of the season at Homestead. We are taking one of our favorite trucks which has been good at the intermediate tracks all year. We won Michigan with it so it would be awesome to win Homestead with it too. We really need a strong finish to have a shot at ending the season in the top five in points. That is our goal and we’re not giving up on it just because we lost some points in Phoenix.”

Crew chief Mike Beam on racing at Homestead:

“It was pretty disappointing to fall out of the top five in points in Phoenix last weekend so we’ve got our work cut out for us in Homestead to regain those points. We are only 25 points out so it’s definitely possible to get back up there. We’re taking chassis 43 to Homestead which is a strong truck for us and finished top five at Texas two weeks ago. I know Colin and the whole Con-way Freight team are determined to do everything we can to finish the season in the top five in points.”
