Edwards on racing at Memphis Motorsports Park:

"Memphis is one of the most fun race tracks we go to all year. It's a pure driving track. They should find the company that paved that track and have them pave every track the same way. It's slippery and it chews up tires and you can drive sideways there more than any place else, it's a lot of fun. Last year it was a blast racing David Reutimann for the win and I think this year will be good too. We'll have to come from the back with no practice, but that will make it that much more fun."

Crew Chief Dan Stillman on racing at Memphis Motorsports Park:

"We are proud of what we have accomplished thus far, but we need to have a good run at Memphis. Carl will be in Martinsville, so we have Auggie Vidovich filling in for practice and qualifying and Carl will fly in for the race. The No. 60 team has won in Memphis in the past and our short track program has been good, so we are looking forward to a good weekend."

- Carl Edwards has four wins and 21 top-five finishes in Nationwide competition in 2009.
