Kenseth on racing at Memphis Motorsports Park: “I haven’t been to Memphis in 10 years so I’m not really sure what to expect. I wish the schedules worked out better so I’d be able to practice, but it looks like I’ll be showing up just in time for the race. Ricky did an awesome job getting this car ready for me at ORP and I’m sure it’ll be the same this weekend. It should be interesting – Carl didn’t practice and won this race last year so hopefully things work out that well for us on Saturday. I’d love to give Jack his second Elvis trophy in a row.”

Crew Chief Eddie Pardue on racing at Memphis Motorsports Park: “We’re really overdue for a good finish. The last few races have been really disappointing – especially this past week at Lowe’s. Memphis is a good track to turn things around at. One of our teammates won this race last year and we’re taking one of, if not the best car we have. Short tracks might be our strongest area this year and with Matt behind the wheel we definitely have a shot to win.”
