## Ragan on racing in the Nationwide Series at Talladega:

"I always get excited to run at Talladega. It is a wild shootout that is anybody's race. Our Discount Tire Ford Fusion has been very fast all year long and I am looking forward to running as hard as I can and hopefully get into victory lane. We have to be patient and allow everything to unfold in front of us and take our chances when the time is right. You don't want to force the issue at Talladega and cause the big one."

## Crew Chief Mike Kelley on racing at Talladega:

"I am extremely pleased about the effort everyone on the Discount Tire team has put into our speedway program this year. David has been great at speedways throughout his short career, so we are very confident he will run well at Talladega. David has matured a lot as a driver and I think he is ready to take us to the next level. We are due for a breakthrough win in the series."
